

# Certified Environmental Management's Unmatched IH Accreditations

- American Industrial Hygiene Association (AIHA)
  - Certification Number 101294 (Since 1987)
  - ELLAP Certified (Lead in Paint, Lead in Soil, Lead in Air, Lead in Wipes)
  - IHLAP Certified (Organics, Organic Badges, Metals, Asbestos, and Silica)
- National Cooperation for Laboratory Accreditations (NACLA), #101294
- NACLA Mutual Recognition Arrangement
  - Coordinates Laboratory Accreditation with the United States, Canada, and Mexico
- International Organization for Standardization (ISO) policy ISO/IEC 17025. ISO/IEC 17025 incorporates requirements of ISO 9001 and ISO 9002
- Proficiency Analytical Testing (PAT) Program for 15 Continuous Year (To Date 4793 Performance Samples Analyzed and with One Standard Deviation of the True Value)
  - Operated by NIOSH and Funded by AIHA
  - All Parameter (Organics, Metals, Silica, Fiber counts)
  - Organic Badges (3M, Trace air, SKC, etc)
  - Lead (Pb) in Paint, Soil, Bulks
  - Asbestos
- **Germany's BGIA Program**
- **United Kingdoms WASP Program**
- **Asia Pacific Laboratory Accreditation Cooperation (APLAC)**
- **OSHA VPP STAR Site Certification/Accreditation**
